

Everywhere

Fleetwood Mac

Can you hear me calling Out your name? You know that I'm falling

And I don't know what to say

I'll speak a little louder I'll even shout

You know that I'm proud

And I can't get the words out

Oh, I want to be with you everywhere

Oh, I

I want to be with you everywhere

(Wanna be with you everywhere)

Something's happening

Happening to me

My friends say I'm acting peculiarly

Come on, baby We better make a start

You better make it soon

Before you break my heart

Oh, I want to be with you everywhere

Oh, I

I want to be with you everywhere

(Wanna be with you everywhere)

Can you hear me calling Out your name?

You know that I'm falling

And I don't know what to say

Come along, baby

We better make a start

You better make it soon

Before you break my heart

Oh, I

I want to be with you everywhere

Oh, I

I want to be with you everywhere

Oh, I

I want to be with you everywhere

Oh, I

I want to be with you everywhere

(Wanna be with you everywhere)
