

Jane Doe

Alicia Keys

Kandi-
hey yo alicia
alicia-
whatz up kandi
kandi-
man these jane doe's be killin' me thinkin' they slick wit it
alicia-
for real
kandi-
drop the beat
let's talk about the situation
bout how you came with information
this nigga did in every which way
just dissin' my man and our relation
you say he's cheatin' want me to leave him
i changed my mind i think i'll keep him
listenin' to you will leave me lonely
thats not what i'm tryin' to because i'll be crazy
to let my man go
and let some other jane doe
come and try to steal him
oh! no oh! no
just crazy to let my man go
and let some other jane doe
come and try to steal him
oh! no oh! no
you see i caught you
tryin'to check my man out
how bout you explain
what that's all about
you think ya slick
like i wouldn't know
but i got something for you
though mess around been up
and out yo
gurl i think its time for you to go
away from my man and me
thats the way its gonna because i'll be crazy
to let my man go
and let some other jane doe
come and try to steal him
oh! no oh! no

just crazy to let my man go
and let some other jane doe
come and try to steal him
oh! no oh! nobridge:
i love my man
he loves me more
he may not be the perfect man
but i don't plan to let him go
jane doe (10x)cause i'll be crazy
to let my man go
and let some other jane doe
come and try to steal him
oh! no oh! no
just crazy to let my man go
and let some other jane doe
come and try to steal him
oh! no oh! nocause i'll be crazy
to let my man go
and let some other jane doe
come and try to steal him
oh! no oh! no
just crazy to let my man go
and let some other jane doe
come and try to steal him
oh! no oh! nojane doe (10x)cause i'll be crazy
to let my man go
and let some other jane doe
come and try to steal him
oh! no oh! no
just crazy to let my man go
and let some other jane doe
come and try to steal him
oh! no oh! no
just crazy to let my man go
and let some other jane doe
come and try to steal him
oh! no oh! no
