

Magic

Honor Society

Summer, it turns me upside down
Summer, summer, summer
It's like a merry-go-round I see you under the midnight
All satins and bows
High shoes with the cleats a clickin'
A temperamental glow But then you let me go
I got a hold on you, I got a hold on you
I got a hold on you tonight
I got a hold on you, I got a hold on you
I got a hold on you, yeah that's right Oh, oh, it's magic when I'm with you
Oh, oh, it's magic, you know it's true
I got a hold on you
So twisted
Under sideways down
I know you're getting twisted
And you can't calm down I see you under the midnight
Love darts in your eyes
How far can you take it 'til you realize
There's magic in your eyes? I got a hold on you, I got a hold on you
I got a hold on you tonight
I got a hold on you, I got a hold on you
I got a hold on you Oh, oh, it's magic when I'm with you
Oh, oh, it's magic, you know it's true
I got a hold on you
I got a hold on you, I got a hold on you
That's right, it's magic Oh, oh, it's magic when I'm with you
Oh, oh, it's magic, you know it's true
Just a bit of magic, baby
