

# Come Away With Me

Norah Jones

Come away with me in the night  
Come away with me  
And I will write you a song  
Come away with me on a bus  
Come away where they can't tempt us  
With their lies  
And I wanna walk with you  
On a cloudy day  
In fields where the yellow grass grows knee-high  
So won't you try to come  
Come away with me and we'll kiss  
On a mountain top  
Come away with me  
And I'll never stop loving you  
I wanna wake up with the rain  
Falling on a tin roof  
While I'm safe there in your arms  
So all I ask is for you  
To come away with me in the night  
Come away with me
