

Darlin'

Tobi Lou

[Intro]

Na, na, na, na

Na, na, na

Hey[Verse 1]

I don't think I'm ready, no

Not for that jelly ma, honey like Winnie the Pooh

I shop [?], very temporarily, out of order in the booth

Ion't got nothin' to do (hey)

Feel like I'm stuck in a loop (woo)

What's in your fridge? You ain't got water?

Okay the Henny would do (hey)

Pitiful, pitiful

I got rituals that I keep stickin' to

I got money that I should be gettin' to

But I just cannot get rid of you, rid of you, rid of you

I'm pitiful, I'm pitiful

Havin' trouble with all my syllables

Yeah I love you but I'm so miserable, I'm so miserable, oh

[Chorus]

Raindrop keep fallin'

Don't know where my heart went

Don't tell me you lost it

Don't fuck with me, darlin'

Raindrop keep fallin'

My umbrella is garbage

But fuck it I'm gorgeous

So don't fuck with me, darlin'

Raindrop keep fallin'

Stuck in the apartment

I'm not that important

But don't fuck with me, darlin'

Rain keep fallin'

I beg your pardon

But you're just like poison

So don't fuck with me, darlin'

[Verse 2]

Treated you like the queen as [?]

Sure they treated you like Freddy Kruger

I need blessings and Hallelujahs

'Cause I don't know how I'ma get through you

Blue 42, oou

I feel like Tobi Lou (woo)

Breakfast for dinner, ou ain't got milk?
Okay the Henny would do
I'm pitiful, I'm pitiful
I got bitches that literally shit on you
But when I'm when 'em I just wanna get with you
Can I get rid of you? Rid of you, oou
I'm so pitful, fuckin' up like all my syllables
Wish I could just [?]
I'm so sick of you[Chorus]
And the raindrop keep fallin'
Don't know where my heart went
Don't tell me you lost it
Don't fuck with me, darlin'
Raindrop keep fallin'
My umbrella is garbage
But fuck it I'm gorgeous
So don't fuck with me, darlin'
Raindrop keep fallin'
Stuck in the apartment
I'm not that important
But don't fuck with me, darlin'
Rain keep fallin'
I beg your pardon
But you're just like poison
So don't fuck with me, darlin'[Outro: Tobi Lou and Girl]
La, la, la, la
La, la, la, la, la, la, la
[?]
Darlin'
coughs
You alright buddy?
Shut up (*coughs*)
You okay? Need some water? Hum (*coughs*)
Leave me alone bitch
clears throat
