

# She's a Butterfly

[Martina McBride](#)

She remembers when she first got her wings  
And how she opened up the day she learned to sing  
Then the colors came, erased the black and white  
And her whole world changed when she realized She's a butterfly

Pretty as the crimson sky

Nothing's ever gonna bring her down

And everywhere she goes, everybody knows

She's so glad to be alive

She's a butterfly

Like the purest light in a darkened world

So much hope inside such a lovely girl

You should see her fly, it's almost magical

It makes you wanna cry, she's so beautiful She's a butterfly

Pretty as the crimson sky

Nothing's ever gonna bring her down

And everywhere she goes, everybody knows

She's so glad to be alive

She's a butterfly God bless the butterfly

Give her the strength to fly

Never let her wings touch the ground

(God bless the butterfly) God bless the butterfly

Give her the strength to fly

Never let her wings touch the ground

Oh, she's a butterfly

Pretty as the crimson sky

Nothin's ever gonna bring her down

And everywhere she goes, everybody knows

She's so glad to be alive

She's a butterfly

She's a butterfly

She's a butterfly God bless the butterfly

Give her the strength to fly

Never let her wings touch the ground

(God bless the butterfly) Oh, God bless the butterfly

Give her the strength to fly

Never let her wings touch the ground
