Save the World (Extended Mix)

Swedish House Mafia

Into the streets

We're coming out

We never sleep

Never get tired

Through urban fields

And suburban lifeTurn the crowd up now

We'll never back down

Shoot down the skyline

Watch it on primetime

Turn up the love now

Listen up now

Turn up the love

Who's gonna save the world tonight?

Who's gonna bring it back to life?

We're gonna make it, you and I

We're gonna save the world tonightWe're far from home

It's for the better

What we dream it's all that matters

We're on our way, unitedTurn the crowd up now

We'll never back down

Shoot down the skyline

Watch it on primetime

Turn up the love now

Listen up now

Turn up the love

Who's gonna save the world tonight?

Who's gonna bring it back to life?

We're gonna make it, you and I

We're gonna save the world tonightWho's gonna save?

Who's gonna bring?

We're gonna make it, you and I

Who's gonna save?

Who's gonna bring?

We're gonna save the world tonight
