

# Satisfy You (feat. R. Kelly)

P. Diddy

[puffy]

All I want is somebody who's gonna love me for me  
Somebody I can love for them  
All this money don't mean shit  
If you ain't got nobody to share it with  
Love rules the world, you feel me! - [r. kelly]  
He don't understand you like I do  
No he'll never make love to you like I do  
So give it to me  
Cause I can show you 'bout a real love  
And I can promise anything that I do  
Is just to satisfy you

[puffy]

When it hurt I ease the pain girl, caress your frame  
Get them worries off your brain girl, I'm in your corner  
Do what you want, it's your thing girl, I persist and try but  
We one in the same girl, it ain't a game  
So I can't play with you, I wanna lay with you  
Stay with you, pray with you, grow old and gray with you  
In good and bad times, we'll always make it through  
Cause what we got is true, no matter what they say to you  
I could straight lace you, not just appearance  
Stimulate your mind, strengthen your spirits  
Be that voice of reason when you ain't tryna hear it  
You want it but you fear it, but you love it when you near it  
Sit her on the sofa, get a little closer  
Touch you right, do it like a man's suppose to  
Knew you was the one, that's why I chose you  
Cause you get down for yours and ride like a soldier  
Repeat 1 Your soul ain't a toy, you ain't dealin' with a boy  
Feel emptiness inside? I can fill that void  
When you spend time with your woman and listen  
It shines more than any baguette diamond can glisten  
I can't impress you with the cars and the wealth  
Cause any woman with will and drive can get it herself  
I'd rather show you it's heartfelt, make your heart melt  
And prove to you you're more important than anything else  
Worthwhile, special like my first child  
When I see your face it's always like the first time  
Our eyes met, I knew we'd be together in a tri-jet  
I wanna give you things that I didn't buy yet  
Hold you, mold you, don't know, let me show you

Ain't no tellin' what we could grow to  
Let it be known, I told you  
And I'll be there for whatever you go  
through, my love's true Repeat 1 [r. Kelly]  
Don't let him sing you a sad song (no baby)  
Waiting for love like this too long  
(you don't have to wait, you don't have to wait on him, baby)  
All that you need I can give you  
(you don't have to wait, you don't have to wait on)  
I do, satisfy you  
(you don't have to wait on him) [puff]  
I'm the light when you can't see  
I'm that air when you can't breathe  
I'm that feeling when you can't leave  
Some doubt, some believe, some lie, cheat, and deceive  
So it's only you and me  
When you weak, I'll make you strong,  
here's where you belong  
I ain't perfect, but I promise I won't do you wrong  
Keep you away from harm, my love is protected  
I'll wrap you in my arms so you'll never feel neglected  
I'll just make you aware of what we have is rare  
In the moment of despair, I'm the  
courage when you're scared  
Loyal, down for you, soon as I saw you  
Wanted to be there cause I could hold it down for you  
Be around for you, plant seeds in the soil  
Make love all night, bending bed coils  
You're a queen, therefore I treat you royal  
This is all for you, cause I simply adore you Repeat 1 until fade [puff]  
This one right here goes out to all my sisters
