

# Bloody Nose

Lil Xan

Get that money fuck them hoe's  
I like girls with pretty toes  
I like getting head some dome Wrote this with a bloody nose  
Get that money fuck them hoe's  
I like girls with pretty toes  
I like getting head some dome  
Wrote this with a bloody nose It get cold up in these streets  
Don't fall to the knees  
To the pipe line burst, and the gas gon' leak  
You could pray for the best but  
You'll end up with the worst  
Haven't slept in weeks making money off this merch  
You can search my name, you can check my worth  
Heartbreak soldiers took over the world  
I've been on my grind since they, invented time  
And i've been feeling fine I know im so divine  
Get that money fuck them hoe's  
I like girls with pretty toes  
I like getting head some dome  
Wrote this with a bloody nose  
Get that money fuck them hoe's  
I like girls with pretty toes  
I like getting head some dome  
Wrote this with a bloody nose Please don't act like you don't know  
You seen my face you know my home  
I brush you up you just a clone  
Set these trends I gave y'all notes  
Don't give up you got this hoe  
One day I'll sit on that throne  
Get that money fuck them hoe's  
I like girls with pretty toes  
I like gettin' head some dome  
Wrote this with a bloody nose  
Get that money fuck them hoe's  
I like girls with pretty toes  
I like gettin' head some dome  
Wrote this with a bloody nose
