

Let Me Be There

John Farnham & Olivia Newton-John

Wherever you go, wherever
You may wander in your life
Surely you know, I
Always wanna be there Holding your hand
And standing by to
Catch you when you fall
Seeing you through
In everything you do Let me be there in your morning
Let me be there in your night
Let me change whatever's
Wrong and make it right
Let me take you
Through that wonderland
That only two can share
All I ask you is let me be there
Watching you grow and going
Through the changes in your life
That's how I know, I'll
Always wanna be there Whenever you feel you need
A friend to lean on, here I am
Whenever you call
You know I'll be there Let me be there in your morning
Let me be there in your night
Let me change whatever's
Wrong and make it right
Let me take you
Through that wonderland
That only two can share
All I ask you is let me be there
Let me be there in your morning
Let me be there in your night
Let me change whatever's
Wrong and make it right
Let me take you
Through that wonderland
That only two can share
All I ask you is let me be there
All I ask you is let me be there
