

# I'm a Believer (feat. Trip Lee & SOYE)

## Tedashii

Let's tell 'em!  
I'm a believer hey  
We gotta let them know  
Hey to all GODS people  
I'm a believer! This right here don't make no sense  
You ain't gotta guess baby that I'm His  
Crucified, died, now alive in Him  
I done put my faith in Him hommie till the end  
Now the new life, I live in Christ  
It's because of Him, ya boy shines so bright  
You can keep the ring and the chains and the ice  
Cams main campaign ain't to pop champagne, that's lame, no game  
Hommie I rep Christ  
You can peep my lyrics and the way that I write  
I surrendered everything, even my rights  
I count it all lost just so I can know Christ  
Or better yet baby just so that He can know me as a son coming home from prodigal to free  
Free from my sin that's the end of my grief  
I'm a believer so best believe this is me  
Even at the cross Jesus took my place  
He didn't deserve it, I guess that's what we call faith  
I did deserve it, I guess that's what you call grace  
He did it for certain and guaranteed my place in Him and then seated me on high  
In the end baby i'll be caught up in the sky on a dime, in the twinkling of an eye, i'll be found in  
the air with my savior Jesus Christ  
I'm a believer  
I'm a believer no doubt  
I'm a believer yeah  
I'm a believer hear me out  
I'm a believer yeah  
I'm a believer yeah yeah  
He came into my life and I never thought twice  
He's all that I have and I'm willing to fight  
I stare at them like. I'm a believer  
Some might know me as a rapper some might know me as a southern dude  
Others as a black man, but first I got another crew  
Ever since I heard the Gospel message how the Son was bruised,  
I got a new identity, it's like your boy's another dude  
We ain't undercover brother, come and see us trust the Truths that we stand under brother, other  
things adjust and move  
Some say we dumb for trusting Christ, they say we just some fools, but you can check His  
grave if you want it proved, ooh

We ain't perfect at all nah  
We recognize this life's hard  
The difference is instead of drowning, we trust the Life Guard  
We fight hard, but with the right perspective as we walk this  
Christ, He works in us like an office, so I'm a believer  
I'm a believer  
I'm a believer no doubt  
I'm a believer yeah  
I'm a believer hear me out  
I'm a believer yeah  
I'm a believer yeah yeah  
So in the end, hey this is me  
I ain't that cat that you seen on TV  
I ain't that rapper, model, actor, baller, none of them defines me  
I'm a believer, known to the One that exist in three  
Co-heir to the kingdom, this means I'm the King's son, partner, that's what defines me  
Identity - crucified, choose to die, now the life that I live, not I  
But it's this flesh, He laid to rest, through faith, I live by Christ  
(Trip Lee)  
I'm quite sure your mama told you not trust just anybody  
But tell me who is like the Lord? Not anybody  
I took a look at Him in the Scriptures, this really got me  
He keeps His promises, even though cats be living sloppy  
Look at His love, and His grace, and His just mercy  
I was dirty, till I trusted Him who's trustworthy  
I'm a believer  
I'm a believer no doubt  
I'm a believer yeah  
I'm a believer hear me out  
I'm a believer yeah  
I'm a believer yeah yeah
