Sheryl Crow

I woke up this morning
Now I understand
What it means to give your life
To just one man
Afraid of feeling nothing
No bees or butterflies
My head is full of questions
And my house is full of lies
Chorus:
This is home, home
And this is home, home
This is home I found you standing there
When I was seventeen
Now I'm thirty-two
And I can't remember what I'd seen in you
I made a promise
Said it everyday
Now I'm reading romance novels
And dreaming of yesterday
Chorus I'd like to see the Riviera
And slow dance underneath the stars
I'd like to watch the sun come up
In a stranger's arms
Chorus x2
I'm going crazy
A little every day
And everything I wanted
Is now driving me away
I woke this morning
To the sound of breaking hearts
Mine is full of questions
And it's tearing yours apart...
