## Not Like Us

## **Brantley Gilbert**

Yea every small town got its boss hog
Big dawg steady runnin' the showYea attitude, tattooed, sleeves rolled up
He's all swolled up and nowhere to go

Everybody's rollin' 'round

In 4-wheel drives

And jackin' up their trucks

Yea they think they livin' it up

Not Like Us

We're on another level

These folks 'round here

2-steppin' with the devil

I'm callin' y'alls bluff

Y'all drinkin', y'all smokin' it up

Show me what cha got boy

I'll show you that cha not like us

Wanna be

Yea you know you wanna be like us

Wanna be

But cha never gon' be like us

Not like us

2]

Everybody likes to light it up

With your buddies get to buzzin' like a neon light

Hit the strip, get it lit man, take another sip

Hit a lick on a Saturday night

Yea they closin' down and throwin' down

Until the sun comes up

Yea they think they livin' it up man but

Not Like Us

We're on another level

These folks 'round here

2-steppin' with the devil

I'm callin' y'alls bluff

Y'all drinkin', y'all smokin' it up

Show me what cha got boy

I'll show you that cha not like us

Wanna be

Yea you know you wanna be like us

Wanna be

But cha never gon' be like us

Not like us

Everybody's rollin 'round

In 4-wheel drives

And jackin' up their trucks

Closin' down and throwin' down

Until the sun comes up

You say if I want one of y'all

You know I got chu all

Every one of us wants all of all y'all, wassup!We're on another level

These folks 'round here

2-steppin' with the devil

I'm callin' y'alls bluff

Y'all drinkin', y'all smokin' it up

Show me what cha got boy

I'll show ya that you're not like us

Wanna be

Yea you know you wanna be like us

Wanna be

But cha never gon' be like us

Not like us
