

# Found a Job

## Talking Heads

"Damn that television... what a bad picture"  
"Don't get upset, it's not a major disaster"  
"There's nothing on tonight," he said, "I don't know what's the matter!"  
"Nothing's ever on," she said, "so... I don't know why you bother." "We've heard this little scene,  
we've heard it many times  
People fighting over little things and wasting precious time  
They might be better off... I think... the way it seems to me  
Making up their own shows, which might be better than T.V. Judy's in the bedroom, inventing  
situations  
Bob is on the street today, scouting up locations  
They've enlisted all their family  
They've enlisted all their friends  
It helped save their relationship  
And made it work again...  
Their show gets real high ratings, they think they have a hit  
There might even be a spinoff, but they're not sure 'bout that  
If they ever watch T.V. again, it'd be too soon for them  
Bob never yells about the picture now, he's having too much fun Judy's in the bedroom,  
inventing situations  
Bob is on the street today, scouting up locations  
They've enlisted all their family  
They've enlisted all their friends  
It helped save their relationship  
And made it work again... So think about this little scene, apply it to your life  
If your work isn't what you love, then something isn't right  
Just look at Bob and Judy, they're happy as can be  
Inventing situations, putting them on T.V.  
Judy's in the bedroom, inventing situations  
Bob is on the street today, he's having a vacation  
They've enlisted all their family  
They've enlisted all their friends  
It helped save their relationship  
And made it work again...
