Shit did it this cece (coco)

Take that bar, no 3G
Live fast, live life easy
Put a drop in my sweet tea

She fuck 'em then leave 'em (smash)
She hope I hit her (brr brr)
She hope I beep her (hope I beep her)
She want me to get her a bag, a house, maybe a Beamer (skrrt skrrt)
I might say some shit out of my mouth but still won't leave her (still, still) I might say some shit

Counting that bag on the low (bag)
Count that bag on the floor (bag)

Stack it up til' you get mo' (stack it up)
Stack it up til' you get mo' (stack it up)
Stack it up til' you get mo'
