## Fly (feat. Yung Joc & Gorilla Zoe)

## **Paul Wall**

I believe I can fly, fly, fly
I believe I can fly, fly, fly
I'm so high, I'm so high
I'm so high, I'm so highI believe I can fly, fly, fly
I believe I can fly, fly, fly
I'm so high, I'm so high

I'm so high, I'm so high, I believe I can flyBitch I'm sittin' so high, I believe I can fly

The coupe looks delicious, the rims are waving bye

Money long like Diddy, I put on for my city

Cologne Kush and Henny, I'm gone in that hemi

I'm gold but you don't hear me

Four to the dome if you can hear meI'm so high, I'm so high, I'm so high

They say I need a pull up, when I pull up I'm the shit man

When I grow up I wanna be like T-Pain, a hit man

But do yourself a favor partner, don't be talkin' shit man

You're broad done up and broke your heart

My whole squad hit manHold up I see dead people

It's just the dead white guys on my bread peopleFly, fly, fly, I believe I can fly, fly, fly I'm so high, I'm

I believe I can fly, fly, fly

I'm so high, I'm so high, I'm so high

I believe I can flyI'm high as the moon and I'm flier than a mosquito

Stackin' my chips, I got a bag full of Doritos

I'm too cool for school so I'm teachin' a class

Chiefin' on that purple rain partner, puff, puff, pass

See I'm higher than the price of gas, gone off vanilla cream

Rollin' off of Mac Dre leanin' like a triple beam

I got my wrist froze up like computer screens

So fresh, so clean exhale sticky greenI got the top steady droppin' like record sales

Paint changin' colors like Tyra Bank's finger nails

Choose the fast life, I'm the flashy type

Diamonds in my mouth sparkle look like sprite

'Cause I'm flyFly, fly, fly, I believe I can fly, fly, fly

I'm so high, I'm so high

I'm so high, I'm so highI believe I can fly, fly, fly

I believe I can fly, fly, fly

I'm so high, I'm so high

I'm so high, I'm so high, I believe I can flyI believe I can lean spite and codeine

Someone's sleepin' on the scene

That's a hell of a dream, I'm a hell of a guy

That's a hell of a blunt, fire it up, lets' get highYou can call me G five 'cause I be in the clouds Somewhere in the club with my clothes smellin' loud

## And never will I smile 'cause I be bitin' down Rollin' off a P probably muggin' with a frownBut no, ain't nothin' wrong how could he be on rich

Bitch looked at my whip, bitch looked at my wrist
My wrist is tricked in ice, my neck is dripped in ice
Bitch look at my life, don't you wanna be my wife? Would you like to be my girl?

Don't you wanna change your life?

I can change your life

Grab the credit card and swipe, like see? Fly, fly, fly, I believe I can fly, fly, fly I'm so high, I'm so high

I'm so high, I'm so highI believe I can fly, fly, fly

I believe I can fly, fly, fly I'm so high, I'm so high

I'm so high, I'm so high, I believe I can flyFly, fly, fly, I believe I can fly, fly, fly
I'm so high, I'm so high
