

# Saturdays (feat. Jarvis Church)

## Nelly Furtado

Hot motel  
Stuffy inside  
I know well  
These eleven walls  
Hot black tar  
I tan my legs  
I rest my heart  
And dream of the city Magazine  
And diet coke  
I'm not a joke  
This is me  
Damaged leg  
Heavy cart  
Plastic cups  
Linen mart  
Rock garden  
Where I used to play  
People stare  
Part of their day  
Coffee break  
Lunch at noon  
Pumpernickel steak  
Green and orange room Done my list (done my list)  
Make my way (make my way)  
To help my mother (help my mother)  
End her day (end her day)  
Fresh cut grass (fresh cut grass)  
parking lot (parking lot)  
We roll on out (roll on out)  
We got a lot (got a lot)  
We're on our way (on our way)  
Roll the windows down (windows down)  
And scream out loud (scream out loud)  
Oh we're tired now Take it home (take it home)  
Stop on the way (on my way)  
To the bakery (bakery)  
For some fruit and cake (fruit and cake)  
And home I lay (home I lay)  
After a shower clean (shower clean)  
I hit my head (hit my head)  
And I dream
