Invisible

Skylar Grey

I take these pills to make me thin I dye my hair, and cut my skin I tried everything, to make them see me But all they see, is someone that's not meEven when I'm walking on a wire Even when I set myself on fire Why do I always feel invisible, invisible Everyday I try to look my best Even though inside I'm such a mess Why do I always feel invisible, invisible Here inside, my quiet hell You cannot hear, my cries for help I tried everything, to make them see me But every one, sees what I can't be Even when I'm walking on a wire Even when I set myself on fireWhy do I always feel invisible, invisible Everyday I try to look my best Even though inside I'm such a mess Why do I always feel invisible, invisibleSometimes when I'm alone I pretend that I'm a queen It's almost believable Even when I'm walking on a wire Even when I set myself on fire Why do I always feel invisible, invisible Everyday I try to look my best Even though inside I'm such a mess Why do I always feel invisible, invisible
