Take Her Out

Alice In Chains

Here I am again I feel time is draggin on Aren't you getting tired of me? Whinging overdrawnFaceless, blind Want to take her out again She's not just mine Want to take her out againIn a bodiless embrace Thriving I have grown Fickle changing grip replaced Choking take it all Faceless, blind Want to take her out again She's not just mine Want to take her out againDedicated, true to form Still the only one Only guarantee Continue after I am done Faceless, blind Want to take her out again She's not just mine Want to take her out again Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
