Toxicity

System Of A Down

Conversion, software version 7.0 Looking at life through the eyes of a tired hubEating seeds as a pastime activity The toxicity of our city, our city You, what do you own the world? How do you own disorder, disorder Now somewhere between the sacred silence Sacred silence and sleep Somewhere, between the sacred silence and sleep Disorder, disorder, disorder More wood for the fires, loud neighborsFlashlight reveries caught in the headlights of a truck Eating seeds as a pastime activity The toxicity of our city, of our city Now, what do you own the world? How do you own disorder, disorder Now somewhere between the sacred silence Sacred silence and sleepSomewhere between the sacred silence and sleep Disorder, disorder, disorder Now, what do you own the world? How do you own disorder, disorder Now somewhere between the sacred silence Sacred silence and sleep Somewhere, between the sacred silence and sleep Disorder, disorder, disorder When I became the sun I shone life into the man's hearts When I became the sun I shone life into the man's hearts Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
