## Courtney Barnett

If you see me when I'm feeling down, I don't know if I want you around  
Don't want you around...  
I don't really like any of your friends, but it's not that hard for me to pretend  
Hard to pretend...  
Come on Davey, let's go plant a tree. You bring the spade, I'll bring the seeds  
I'll bring the seeds...
