

# Monroe Park

## Avail

riot at monroe  
nowhere to roam  
forced into place  
down home bench life  
high class eye sore  
fall migration  
those to impress  
a community  
is community-less riot at monroe  
future curfew  
to maim esteem  
one more arrest  
to show authority  
dignity lost  
misplace by now  
screams to uphold  
those held down  
riot at monroe
