

# Dap You Up

## Speaker Knockerz

Rich Nigga Bankroll

Just a while ago I used to wear the same clothes

I can see you fuck niggas from all angles

Skurt skurt hold up pullup take yo main ho

Its me

She gone off the molly I'm gone off the weed

I do what I want and I do as I please

And if you don't like it ho tell it to these

It's easy

I make no mistakes when I count up the cake

But boy if I do man I swear its okay

Cause I didn't even do nothing today

I don't know why you don't like me?

Cause gold round my neck and I'm icy?

I got a few guns I shoot em' for fun and make them fuck niggas go night-y

Yellow bone she got the clappas

She can't fuck with you broke bastards

Fuck all you pussy ass rappers

All of you rappers are actors

Pass me the drink I pour it up

I'm about to double up my Styrofoam cup

Hoes show me love when they see me in the club

I'm too faded I can't even dap you up

Pass me the drink I po it up

I'm about to double up my Styrofoam cup

Hoes show me love when they see me in the club

I'm too faded I can't even dap you up

Got all this ice on my mufuckin watch I think he mad cause I'm winning and he not

You rappers hot you better thank Mr. Guwop

Go steal his flow cause if u don't yo shit gone flop,:/

Im getting money niggas hating so oh well

You claim you real but under pressure u gone tell

I'm smoking loud u can tell by the smell

Just made a juug off my mufuckin cell

I'm chasin the money not chasin the fame

I got a foreign bitch she look like she move cocaine

I skirt off in the fast lane

I race to the cash i get to it fast and you fuck niggas in last place

Pass me the drink i po it up

Im about to double up my styrofoam cup

Hoes show me love when they see me in the club

Im too faded i can't even dap you up

Pass me the drink i po it up  
Im about to double up my styrofoam cup  
Hoes show me love when they see me in the club  
Im too faded i can't even dap you up
