

Hello World

Kid Ink

Hello baby, guess who's back
Yea
It's been a minute
I know you missed me yea
Hello baby, guess who's back
It's been a minute
I've been fienin for your love like cray
From the beginning
Well I didn't know you quite like that
Blew it, we hit it off
Now we somewhere getting lost
Rap stars with no guitars
You ain't gotta wait no mo, I got much paper
I said fuckin with me on this day, you'll wake up with a hangover
Champagne, we celebratin for every day that live the day
It's evident I'll never change, gon be this way forever baby
Echelon, keep elevatin
Ratchet bitches, hella haters
Add em up while I just keep it 100, estimated
Don't lay me the pressure baby
Drinkers game like Wrestlemania
On top of the roots so I hit the flow like
Hello world!
I know it's been a minute
Hello world!
Made it out the cityHello world!Been all around the night sayin
Hello baby, guess who's back
I know you missed me
I said hold it baby just like that, I need a picture cus
Ain't nobody gon believe that I was wit you
Now be exactly the wrong way, we bees at in the party
Bout to get a lick with one shot, you better leave the party
Take off, first class, still drunk in my phone booth
All this money, I still get it for the low low
World big, stone cold, so I stay burning one
Roll up, all night, I be runnin from the sun
Tryna bring a trophy back to the city
Whole team gon ride like right, representinWe on, girl we think as it go, let me take it to you
I know you missed me
Hello world!I know it's been a minute
Hello world!
Made it out the cityHello world!

Been all around the night sayinHello baby, guess who's back
I know you missed me
Hello baby, guess who's back
Guess who's back
Guess who's backYea, I know you missed me
Made it out the city and the rest is all history
Hello world!
Hello world!
Hello world!
Been all around the night sayin
Hello baby, guess who's back
I know you missed me
Hello world!
Hello world!
Hello world!
Hello baby, guess who's back
