Tiger In the Rain

Michael Franks

Most of the time He's the lord of the jungle Everyone grins while he gripes Usually he's found just Lounging around in his stripesHis tiger lady's A superfine feline Just what his highness deserves A sweet purring pussycat Proud of her pussycat curves He's a tiger in the rain It's the thunder and lightnin' He can't explain A tiger in the rain Who's frightenedCaught in the storm he came Searching for shelter Right up to me and my spouse Both stroked his chin and Invited him into the houseHe's a tiger in the rain It's the thunder and lightnin' He can't explainA tiger in the rain Who's frightened He's a tiger in the rain It's the thunder and lightnin' He can't explain A tiger in the rain Who's frightened
