## Moondance

## **Chris Botti**

Well, it's a marvelous night for a Moondance With the stars up above in your eyes A fantabulous night to make romance 'Neath the cover of October skies And all the leaves on the trees are falling To the sound of the breezes that blow And I'm trying to please to the calling Of your heart-strings that play soft and low And all the night's magic seems to whisper and hush And all the soft moonlight seems to shine in your blush Can I just have one more Moondance with you, my love Can I just make some more romance with you, my loveWell, I wanna make love to you tonight I can't wait 'til the morning has come And I know that the time is just right And straight into my arms you will run And when you come my heart will be waiting To make sure that you're never alone There and then all my dreams will come true, dear There and then I will make you my own Any time I touch you, you just tremble inside And I know how much you want me that you can't hideCan I just have one more Moondance with you, my love Can I just make some more romance with you, my love Well, I wanna make love to you tonight I can't wait 'til the morning has come And I know that the time is just right And straight into my arms you will run And when you come my heart will be waiting To make sure that you're never alone There and then all my dreams will come true, dear There and then I will make you my own Any time I touch you, you just tremble inside And I know how much you want me that you can't hideCan I just have one more Moondance with you, my love Can I just make some more romance with you, my loveCan I just have one more Moondance with you, my love Can I just make some more romance with you, my loveCan I just have one more Moondance with you, my love Can I just make some more romance with you, my loveMy Love, my love I just want one more moondance with you, yes I do Song Discussions is protected by U.S. Patent 9401941.
