

# Self Control

## Frank Ocean

Pool side convo about your summer last night, oh yeah  
About your summer last night  
Ain't give you no play, mmm  
Could I make it shine last night  
Could I make it shine, on it last night, last night  
Could we make it in? Do we have time? I'll be the boyfriend in your wet dreams tonight  
Noses on a rare, little virgin wears the white  
You cut your hair but you used to live a blinded life  
Wish I was there, wish we had grown up on the same advice  
And our time was right  
Keep a place for me, for me  
I'll sleep between y'all, it's nothing  
It's nothing, it's nothing  
Keep a place for me, for me Now and then you miss it, sounds make you cry  
Some nights you dance with tears in your eyes  
I came to visit cause you see me like a UFO  
That's like never cause I made you use your self control  
And you made me lose my self control, my self control Keep a place for me, for me  
I'll sleep between y'all, it's nothing  
Keep a place for me  
It's nothing, it's nothing  
It's nothing, it's nothing  
I, I, I  
Know you gotta leave, leave, leave  
Take down some summer time  
Give up, just tonight, night, night  
I, I, I  
Know you got someone comin'  
You're spitting game, oh you got it  
I, I, I  
Know you gotta leave, leave, leave  
Take down some summer time  
Give up, just tonight, night, night  
I, I, I  
Know you got someone comin'  
You're spitting game, oh you got it  
(Nobody else, nobody else)  
I, I, I  
Know you gotta leave, leave, leave  
Take down some summer time  
Give up, just tonight, night, night  
I, I, I

Know you got someone comin'  
You're spitting game, oh you got it
