

10 Bands (feat. Timbaland)

Joyner Lucas

10 bands 20 bands
She'll do anything for ah couple grams
Never had no money but she love to dance
I give all my money back to uncle sam
My ex bitch still want another chance
Thats why ill never fall in love again
I done came up, im the fucking man
Million to my lane got other plans You dont really know what you up against
Boy you know i always have the upper hand
You aint never been thru the struggle man
Homemade grits in the oven pan
You dont want shit you dont wanna dance
(nope) two shots nigga do the running man
& they say love is a drug
