

# Buried (feat. Rome Fortune)

## What So Not & George Maple

Girl, I heard, you buried her  
Somewhere out of reach  
Girl, I heard, you buried her  
Somewhere, no one can see Look, eh, I said  
How the hell did it happen?  
I'm serious, I ain't laughing  
You might overdose on this lifestyle  
I'm scared for you, I ain't rapping  
How the hell did it happen?  
I'm serious, I ain't laughing  
You might overdose on this lifestyle  
I'm scared for you, I ain't rapping  
Shit, eh, this is the time to get it  
This is the time to get it  
You need to snap out of it nigga  
I'm getting some  
Uh, this ain't about your rovers  
This ain't about your bitches  
This is about your soul, your morals  
They got to be decent  
Eh, and I'm just seeing for a difference  
Eh, I think your goals is something different  
Shit, open up your eyes bro  
You high off that life, you know  
Girl, I heard, you buried her  
Somewhere out of reach  
Girl, I heard, you buried her  
Somewhere, no one can see Tell me why'd you get so  
Caught up in the same thing  
Now there is no else to blame
