Get Well

Icon for Hire

We throw tantrums like parties We're not happy 'til everyone knows we're sick And that's just how we like it We've hurt bad enough, right, we've earned itDon't tell the others but it's all getting old I mean how many more times must our stories be told? And being lonely's only fun in a group But sort of loses its charm when it's trueI meant it when I said I wanna get well, i wanna get well Are the rest of you so content to stay where you are but it hurts like hell And i'm sure it's fun at first, test your pulse and check your vitals If it's only a game you lost me, i quit it with the suicidal recital So now you know all my secrets I want out, i know i don't need this Can you find me friends that don't rank me on what i've been through The more battle scars the more attention it gets youDon't tell the others but it's all getting old I mean how many more times must our stories be told? And being lonely's only fun in a group But sort of loses its charm when it's trueI meant it when i said i wanna get well, i wanna get well Are the rest of you so content, to stay where you are but it hurts like hell And i'm sure it's fun at first, test your pulse and check your vitals If it's only a game you lost me, i quit it with the suicidal recitalYeah we should've known it would end this way What did you expect, pretend it all away And all we've got left is a sorry pile of hearts I'm getting out, gonna write myself a new start Come on dry your eyes, meet me on the other side Run as fast as you can and we'll make it out alive We know better now, we don't have to live like this Go tell them all we don't have to live like this I meant it when i said i wanna get well... I meant it when i said i wanna get well, i wanna get well Are the rest of you so content to stay where you are but it hurts like hell And i'm sure it's fun at first, test your pulse and check your vitals If it's only a game you lost me, i quit it with the suicidal recital If it's only a game you lost me, i quit it with the suicidal recital
