Trains

Porcupine Tree

Train set and match spied under the blind
Shiny and contoured the railway winds
And I've heard the sound from my cousin's bed
The hiss of the train at the railway headAlways the summers are slipping away60 ton angel falls to the earth

A pile of old metal, radiant blur

Scars in the country, summer and herAlways the summers are slipping away Find me a way for making it stayWhen I hear the engine pass, I'm kissing you wide

The hissing subsides, I'm in luck

When the evening reaches here you're tying me up

I'm dying of love, it's okay

When I hear the engine pass, I'm kissing you wide

Hissing subsides, I'm in luck

When the evening reaches here you're tying me up

I'm dying of love, it's okay

Always the summers are slipping away

Find me a way for making it stay

Always the summers are slipping away

Always the summers are slipping away
