

My Baby You

Marc Anthony

As I Look into your eyes
I see all the reasons why
My life's worth a thousand skies
You're the simplest love I've known
and the purest one I'll own
no you'll never be alone My baby you
Are the reason I could fly
And cause of you
I don't have to wonder why
Baby you
There's no more just getting by
You're the reason I feel so alive
Though these words I sing are true
They still fail to capture you
As mere words can only do
How do I explain that smile
And how it turns my world around
Keeping my feet on the ground My baby you
Are the reason I could fly
And cause of you
I don't have to wonder why
Baby you
There's no more just getting by
You're the reason I feel so alive I will soothe you if you fall
I'll be right there if you call
You're my greatest love of all
you are the reason i could fly
and cause of you I dont have to wonder why
my baby you, theres no more just getting by
cause you're the reason i feel so alive
Ariana i feel so alive.
