Seduction

Usher

Ah, sexy, sexy, sexy, sexy, sooh Voluptuous, I love your confidence You got it, you got it Seduce me baby, seduce meJust to get my attention Sent a note and a drink When we made our connection She just nodded and winked On this note it said Its bout time we get together Lets dance now, hook up later We can do whatever She had confidence But its all part of the game Cuz to her, though I'm whipped, Don't really mean a thing She knew just what I liked And now I'm thirsty for more (Chorus) Seduction Sensuous, sexy, erotic, How you working your body Oooh oh, you gon' make me do it, Do it to ya Seduction You throwed out your best To get me outta control, baby The more I play around wit you Baby wanna get down wit you Down wit you, down with ya You got my attention, What you gon' do with it? Baby turn around, stick it out, I wanna see it She make the first move, smooth, intoxicatin' She plays me I'm fightin' not to lose control Now I'm feelin' a little tension Don't know whos watchin Getting big In too deep, and I can't stop it Your makin it hard for me Stay (hard) to walk away (hard)

Don't wanna play no more (hard)
I cant take it baby(Chorus)
Seduction (oh you got me baby)
Sensuous, sexy, erotic,
How you working your body
Oooh oh, you gon' make me do it,

Do it to ya Seduction

You throwed out your best

To get me outta control, baby

The more I play around wit you

Baby wanna get down wit you

Down wit you, down wit yaBaby whatever you want, girl you got it

I'll let ya satisfy

Cuz its so hard to resist, oh your body

Got me on fire

Got vivid thoughts in my mind

Of positions that im gonna try

But is it worth all the hurt

Should I risk it just for one night

Once I give in, shes gonna win,

Either way I lose

But I gotta have youIm tryin to chill, but she got me on the spot Shes so cocky, and the way she watchin me

Got me feelin hot, uh

Shorty know that I got a girl

And I really can't break the rules, plus

Paparazzi snappin shots,

And its hard for me to shake these fools

So do I, one, put it on her, work my way to the front

Do I, two, play my part, and she will know not to pull no stunts,

Or maybe, three, chase the cat, cuz shes sendin' me on the hunt

Nah, f*ck that, I aint no punk, imma give shorty what she wants(Chorus)

Seduction (oh you got me baby)

Sensuous, sexy, erotic, (gotta have you)

How you working your body

(We should leave right now, my cars outside)

Oooh oh, you gon' make me do it,

Do it to ya

Seduction

You throwed out your best

(I got the VIP suite baby)

To get me outta control, baby

The more I play around wit you

Baby wanna get down wit you

Down wit you, down wit ya(Chorus fade to end)
