

# Are You Down?

## New Kids On the Block

Danny: Yo, Jordan! What's up?  
Jordan: Hey Danny! What's happening?  
Oh, here comes little Joey Joe down the street  
Joe: Ho! What's happenin' fellas?  
Jordan: Yo, there's Jon, but has anyone seen Donnie?  
Danny: I don't know, but I thought I saw him walking towards the corner store.  
Joe: Nah, he's at the park playing ball  
Jon: Oh, here he comes now  
(ad libbed greetings)  
Donnie: Hey Guys!  
Danny: Where have you been?  
Donnie: Man, I've got a story to tell!  
All: HIT IT!  
Donnie:  
Saw a homegirl at the corner store  
Eyes started bugging, mouth fell to the floor  
She had a miniskirt and a sexy pose  
I tried to rap to her, but I just froze  
Tell me now fellas, what can I do?  
To make a girl like me, like a girl likes you? Danny: Well Homeboy get ready!  
Joe: 'Cause you want correcting  
Jordan: 'Cause a girl needs love  
All: And plenty of affection Jon: If a girl were mine, I'd give her the world  
I'd buy her diamonds and pearls just to make her my girl Jordan: That might work with your  
girl, but not with mine.  
She's not the type of girl to fall for any line Joe: I'd take her out to dinner, treat her like a winner  
I may be young, but I'm no beginner  
Danny: All your ways are good, but not as good as mine  
You have to be sincere for a girl that fine! Chorus  
Baby, won't you please be mine?  
Are you down?  
Baby, won't you please be mine?  
Are you down? HO! Danny: Alright then, D., since you gave it a try  
All: Tell us about the girl who caught your eye Donnie:  
It was after school and I was feeling cool  
'Til I saw that girl and I started to drool  
So I thought to myself, take it easily  
I couldn't let peer pressure get the best of me  
I thought to myself, what should I do?  
That's when she came up on me and said 'I love you' Donnie: Who me?  
All: Yeah, you!  
Donnie: Couldn't be!

All: But it's true! Donnie: So I rushed back home to tell you guys,  
 But not before I got a quick kiss goodbye! All: Did you meet her friends?  
 Donnie: Yeah, they looked def.  
 All: Yo, that was fresh!  
 Donnie: Word! Let's go left.  
 Jordan: So here goes the keys  
 Joe: On which it depends  
 Jordan: She's got  
 Joe: One!  
 Jordan: Two!  
 Danny: Three!  
 Jon: Four!  
 All: Fresh girlfriends! Chorus Are you down?  
 Are you down?  
 (repeat 5x) Chorus Are you down?  
 Are you down?  
 (repeat) All: Joey Joe!  
 Joe: Nimble and quick.  
 You have to be def to be down with my clique All: Jon!  
 Jon: You know I've got the style  
 When I go into a party all the girls go wild All: Danny D!  
 Danny: The prince! Make no mistake.  
 I'm the MC devistating. So cool and I break. (dance) All: Don-nie! Donnie: That's me, don't give
