

# Set Fire to the Rain (Thomas Gold Remix)

Adele

I let it fall, my heart  
And as it fell, you rose to claim it  
It was dark and I was over  
Until you kissed my lips and you saved me  
My hands, they were strong, but my knees were far too weak  
To stand in your arms without falling to your feet  
But there's a side to you that I never knew, never knew  
All the things you'd say, they were never true, never true  
And the games you'd play, you would always win, always win But I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name, your name  
When laying with you I could stay there  
Close my eyes, feel you here forever  
You and me together, nothing is better  
'Cause there's a side to you that I never knew, never knew  
All the things you'd say, they were never true, never true  
And the games you's play, you would always win, always win But I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name, your name  
I set fire to the rain  
And I threw us into the flames  
When we fell, something died  
'Cause I knew that that was the last time, the last time Sometimes I wake up by the door  
That heart you caught must be waiting for you  
Even now when we're already over  
I can't help myself from looking for you  
I set fire to the rain  
Watched it pour as I touch your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name, your name  
I set fire to the rain  
And I threw us into the flames  
When we fell, something died  
'Cause I knew that that was the last time, the last time, oh  
Oh, no  
Let it burn, oh  
Let it burn  
Let it burn
