

# The Scientist

Corinne Bailey Rae

Come up to meet you, tell you I'm sorry  
You don't know how lovely you are I had to find you  
Tell you I need you  
Tell you I set you apart Tell me your secrets  
And ask me your questions  
Oh, let's go back to the start Running in circles  
Coming up tails  
Heads on a science apart Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
Oh, take me back to the start I was just guessing  
At numbers and figures  
Pulling the puzzles apart Questions of science  
Science and progress  
Do not speak as loud as my heart Tell me you love me  
Come back and haunt me  
Oh, and I rush to the start Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
Oh, take me back to the start  
Oh, take me back to the start  
Oh, take me back to the start  
Oh, take me back to the start
