

Masterpiece (feat. Bslick)

CG5

So many questions,
But there's only one to be answered.
Who are we, who are we?
To chase what we were after.
I thought that I knew,
Guess I was misconstrued.
Starvation from success,
I rose above the ashes.
Was driving to impress.
To appease the greater masses.
Climbing higher,
Only to see a crooked empire.
Two roads, one together.
Nothing should last forever.
Creations burn in the fire.
Awe-inspiring.
My masterpiece.
Our lives were lost to us,
Reduced to lines on a page.
Our time, it 'costed us,
What happened to the worlds we made?
We lost the spotlight.
No more old songs in the night.
You always tried so hard,
But you moved in a different direction.
You should have pushed much harder.
I mean no ill intention.
Climbing higher,
Never fulfilling my desire.
Two roads, one together.
Nothing should last forever.
Creations burn in the fire.
Awe-inspiring.
My masterpiece.
Two worlds, one tethered.
The faithful drown together.
30 years, don't you remember?
Ink unfettered.
My masterpiece.
Yeah!
Oh friend, Old friend.
This is, this is the end.

For us, for this,
We've reminisced,
But now, we're here
Confused, and full of fear.
There must be another story,
I'm sure we would all like to hear.
So many questions,
But there's only one to be answered.
Who are we, who are we?
Who are we?
Two roads, one together.
Nothing should last forever.
Creations burn in the fire.
Awe-inspiring.
My masterpiece.
Two worlds, one tethered.
The faithful drown together.
30 years, don't you remember?
Ink unfettered.
My masterpiece.
Who are we, who are we?
Who are we?
