

# Deadly Assassins (Feat. B - Real)

## Everlast

(Everlast)

What? You think it can't happen?

Soul Assassins 2000!

Word! Goes somethin' like this On a vision quest fresh best error terror

Krush Groovy like a low budget movie

I'm Wild Style like Lee Quinones

Stop ridin' on my cajones

I talk with a speak that's much unique

While you desperately seek for that Susie freak

Yo, word to Rob One. He used to like the big ladies

My name's Everlast, I started back in the 80s

Like (whoosh sound) all up your nostril

Actin' hostile, 13th apostle

Goin' postal, Holy Ghost know

Why you walkin' on the hostrow, actin' bicoastal

Bitch! Try to play the middle,

Snitch and wind up in the hospital

Cat on a hot tin roof with no fiddle

Put your money in the middle, get broke like coal

(B-Real) Two deadly assassins makin' 'em fall

I'm Real

(Everlast) I'm Everlast, and I'm takin' 'em all

(B-Real) Just when you thought it was safe to make a tape

(Beide) Two deadly assassins sealin' your fate (B-Real)

I'll spit out the fighting, you won't know what hit

Watch me place you out quicker than the joint gets lit

I got piss in me, shit, what do you got? A couple?

If you gotta hustle, what d'you want, trouble?

Lookin' at the two who go back like Chuck's (Everlast: way back)

With the hand on the pump by the big black trucks (Everlast: fools)

You can't trust a soul in the City of Angels

The strange ho's want a piece, look at these lame ho's

I stain those, with hot blood and chain flows

And main foes who want to rock this ain't closed

They use the same clothes these unoriginal niggas

Ah, my son, if any one of them wanna run (Everlast: Come on, motherfucker)

I'll? chastized and baptized in blood

Where the gat lies don't matter, you're scattered in mud

You ungrateful, most hateful, leech niggas

Wallow in your misery, I'm outta reach, niggas

(B-Real) Two deadly assassins makin' 'em fall

I'm Real

(Everlast) I'm Everlast, and I'm ready to brawl  
(B-Real) Just when you thought it was safe to make a tape  
(Beide) Two deadly assassins sealin' your fate  
(B-Real) Two deadly assassins makin' 'em fall  
I'm Real  
(Everlast) I'm Everlast, and I'm takin' 'em all  
(B-Real) Just when you thought it was safe to make a tape  
(Beide) Two deadly assassins sealin' your fate(Everlasting) (The round one)
