

# Lotus Flower

## Radiohead

I will shape myself into your pocket  
Invisible, do what you want, do what you want  
I will shrink and I will disappear  
I will slip into the groove and cut me up, and cut me up  
There's an empty space inside my heart  
Where the weeds take root  
And now I'll set you free  
I'll set you free  
There's an empty space inside my heart  
Where the weeds take root  
Tonight I'll set you free  
I'll set you free  
Slowly we unfurl  
As lotus flowers  
'Cause all I want is the moon upon a stick  
Just to see what if  
Just to see what is  
I can't kick your habit  
Just to feed your fast ballooning head  
Listen to your heart  
We will shrink and be quiet as mice  
While the cat is away; do what we want  
Do what we want  
There's an empty space inside my heart  
Where the weeds take root  
So now I set you free  
I set you free  
'Cause all I want is the moon upon a stick  
Just to see what if  
Just to see what is  
Put the lotus flower into my room  
Slowly we unfurl  
As lotus flowers  
'Cause all I want is the moon upon a stick  
I dance around a pit  
The darkness is beneath  
I can't kick your habit  
Just to feed your fast ballooning head  
Listen to your heart
