

# Topanga

## Trippie Redd

[Intro]

DJ on the beat so it's a banger  
(It ain't over, it ain't over)  
(It ain't over, it ain't over)

Yeah[Chorus]

Don't talk to strangers  
Since a youngin' I've been totin' bangers  
I might take that lil' bitch to Topanga  
I said: "Stop, little bitch, you in danger"  
Yeah-eah, you in danger  
I might take your lil' ass to Topanga  
Just don't move like no motherfuckin' stranger  
Know I tote bangers, boo-boo-boo-boom  
Stop, you in danger

I can take you to Topanga  
Open my hands like Jesus and save ya  
Know I'm known to tote bangers  
Said: "Boo-boo-boom, you in danger"  
Stop that now, you in danger  
Stop right now, you in danger  
Stop that now, you in danger  
Stop right now, you in danger, yeah

[Verse]

Bitch, I ain't goin' for nothin'  
Got this choppa on me, then I'm bustin'  
If you run out on me, then I'm gunnin'  
Hit you in your stomach, we tote 'em in public  
I said: "We tote in public," we tote them bitches in public  
Run out on me, then, bitch, I'm gunnin'  
Drop down on a fuck ass nigga, nigga, yeah

Pull up with the choppa, you get hit, nigga, yeah  
Get off a nigga dick, nigga, yeah
