

# Born to Love You

LANCO

[Verse 1]

I was born in a town full of red pine trees  
County sign says "follow your dreams"  
Westbound train makes the whole town shake  
Friday night lights decide your fate[Verse 2]  
Born again in a church where the steeple's white  
Preacher preach Book of John and my momma cried  
Meaning of life was in verse 2  
Didn't make sense 'til I found you

[Chorus]

I could search the world from south to north  
But I've already found what I'm looking for  
Wherever I go and whatever I do  
I was born to love you, I was born to love you  
Looking in your eyes, yeah it's all so clear  
Every time you smile, I know why I'm here  
Wherever I go and whatever I do  
I was born to love you, I was born to love you[Verse 2]  
I was a wild child between lost and found  
Then you spoke my name, it was a sweet sound  
Rescue kiss and you pulled me in  
All my life baby, where you been

[Chorus]

'Cause I could search the world from south to north  
But I've already found what I'm looking for  
Wherever I go and whatever I do  
I was born to love you, I was born to love you  
Looking in your eyes, yeah it's all so clear  
Every time you smile, I know why I'm here  
Wherever I go and whatever I do  
I was born to love you, I was born to love you[Chorus]  
'Cause I could search the world from south to north  
But I've already found what I'm looking for  
Wherever I go and whatever I do  
I was born to love you, I was born to love you  
Looking in your eyes, yeah it's all so clear  
Every time you smile, I know why I'm here  
Wherever I go and whatever I do  
I was born to love you, I was born to love you
