Thor

Therion

Black clouds on the horizon

Great thunder and burning rain

His chariot pounding, I heard the heavens scream his name

I watched as he shouted

To the giants that died that day

He held up his hammer high and called Odin for a signThor the mighty, Thor the brave

Crush the infidels in your way

By your hammer let none be saved

Live to die on that final day

Gods, monsters and men

We'll die together in the end

God of thunder, God of rain

Earth shaker who feels no pain

The power head of the universe

Now send your never ending curseI watched as he shouted

To the giants that died that day

He held up his hammer high and called Odin for a signThor the mighty, Thor the brave

Crush the infidels in your way

By your hammer let none be saved

Live to die on that final day

Gods, monsters and men

We'll die together in the endSwing your hammer to crack the sky

Lift your cape so that you might fly

Back to Odin and gods on high

And leave this mortal world

Thor the mighty, Thor the brave

Crush the infidels in your way

By your hammer let none be saved

Live to die on that final day

Gods, monsters and men

We'll die together in the end

Odin
