

My Sweet One

Phish

My sweet one, I'll call you my sweet one

You're my only true sweet one

With my all, I'll call you my sweet one

From far away, I'll say your name

Oh with you, I'll travel thick

And with you, I'd also travel thin

And all the spaces in between

I'd travel with you

You're my sweet one

But for now I must sit jail here and ponder the yonder

Herbivores ate well because their food didnt never run

Oh if you're ever unsatisfied by the way lifes been treating you

You know you can count me to take good care of you

I love you honey oh yes I do you know thats true of course

And if your dog or cat ever dies, I'll buy you an ewe
