It Don't Matter (feat. Donavon Frankenreiter)

[Cody Simpson](#)

Everyday people like you
And me just wanna live naturally
Times are true and you told me
"Nothing gonna get us down, can't you see?"I said if it don't matter to you, it don't matter to me,
oh baby
If it don't matter to you, it don't matter to me, woah babyPeople all around making sounds and
all kinds of noise
If I could only get there, then I could enjoy
Who they tryna be? Who they tryna fool, let's change the mood right now
Turn down the lights, it's time to cool it down
If it don't matter to you, it don't matter to me, woah no no no
If it don't matter to you, it don't matter to me, woah babyYesterday, what we could be? It don't
matter
Getting more of what we don't need, it don't matter
Everyday I'm less of you
It doesn't matter to me
Bring it on down, bring it on down to me
Sing it all down, sing it all down to me
Bring it on down, bring it on down to me
If it don't matter to you, it don't matter to me, woah no no no
If it don't matter to you, it don't matter to me
I say if it don't matter to you, it don't matter to me, oh no no no
If it don't matter to you, it don't matter to me, no no no no don't matter
