## Big Audio Dynamite

(Go ahead London)Bad laugh?, Bad language  
Bad news, BadWhen I'm at home  
My woman won't leave me alone  
And that's bad  
So badSo I walked out of the door  
And it seemed worse than before  
And that's bad  
So badAnd the thought occurred to me  
How come that everything you see  
Is so bad  
So bad  
But before I realised it  
Hit by a truck and paralyzed  
And that's bad  
So badA golden opportunity  
Claim my insurance polucy  
Hmmmmm...  
So badThese are the things that drive me crazy  
(Crazy, crazy, crazy)  
These are the things that make me bad  
(Go ahead London)  
(Crazy)Watch TV go grab a bite  
See a horror movie get petrifiedGonna dye your hair use peroxide  
Smoke a split get red eye  
Hitler wanted to commit genocide  
To the allied foes he notified  
Went to Poland, the place he occupied  
They all had a war and millions diedJerry Lee Lewis had a child bride  
Only thirteen but he said he's justifiedClint Eastwood starred on Raw Hide  
Now he lives in California off a mountain sideMaking love you got to be satisfied  
Make a mistake you got to be rectified  
Jesus Christ got crucified  
So the Empire Rome could get gratifiedThese are the things that drive me crazy  
(Crazy, crazy, crazy)  
These are the things that make me bad  
(Make me bad)  
(Crazy)From the dump store I can see,  
To the dump society  
And that's bad  
So badAs diverse as it could be  
It's still cold and empty  
And that's bad

So bad  
Close the floor  
That's the score  
You don't like it  
There's the door  
And that's bad  
So bad  
Attitudes of some would say  
I got money, I'm okay  
And that's bad  
So bad  
These are the things that drive me crazy  
(Crazy, crazy, crazy)  
These are the things that make me bad  
(Bad)  
(Crazy) Yeah, yeah  
Yeah, yeah  
Do it, do it, do it  
Got to modify your wheels if you want a lower ride  
On the windscreen says tax applied  
Play your music loud with an amplifier  
Eat selection bonafide  
Hawaii 50 does it on the side  
Gonna slap a victim, get your bullet fired  
Some people like to eat Kentucky Fried  
Others like a Big Mac and French Fries  
Nation's economy's on a downward slide  
On the best course of action no one can decide  
Company cheques got to be verified  
Old people got no money but they got their pride  
Cutting wheels is ironside  
East, sleep, work, cheat, nine to five  
Reagan won in a landslide  
Which brings us back to Raw Hide  
(Raw Hide) These are the things that drive me crazy  
(Crazy, crazy, crazy)  
These are the things that make me bad  
(Make me bad)  
(Crazy, crazy)  
(Go ahead London) (Crazy, crazy) These are the things that drive me crazy  
(Crazy, crazy, crazy) This is so f@!#ing bad
