

# Why so Serious

Devvon Terrell

Why so serious  
Don't ever act like you don't get curious  
Why so serious  
Don't ever act like you don't get curious  
Yeah Why so serious  
Don't ever act like you don't get curious  
Why so serious  
Don't ever act like you don't get curious  
Yeah  
I don't know why anybody hating  
Tell my why you so damn mad right now  
Take this shit too serious yeah  
Life too short for the bullshit  
Spread love that's the Brooklyn way  
Repping B.I.G. and today was a good day  
About to fucks up the streets and I mean that in a good way  
Imma worry about all my problems tomorrow I'm out  
Out on the town  
Mixing the drinks with the women  
They partying  
And it's going down  
Everything speeding up  
Faster  
I know that Sunday morning Ima need me a Pastor  
Oh you know my heart  
I don't wanna end my life knowing it ain't start yet  
Can not fake like Santa  
Gotta live my life like panda panda  
Feeling the groove  
Not thinking about what we do  
Not thinking about work or school  
If you feel the same come through  
We can go dab to Marvin Gaye  
Or wear fresh kicks with a suit and tie hey  
You only live once  
And I'm gonna live it  
That's why I'm asking you  
Why so serious  
Don't ever act like you don't get curious  
Why so serious  
Don't ever act like you don't get curious  
Yeah Why so serious

Don't ever act like you don't get curious  
Why so serious  
Don't ever act like you don't get curious  
Yeah What would you if you had 24 hours  
I would probably be drinking Hennessy in the shower  
Round and round we go  
Shots every hour  
Shorty so quiet but when she smoke she's loud  
Goddamn  
Got the whole world in my hand  
Why we tryna live when we know it's the end  
Now that just don't make any sense  
Wait till you dying I'll finally start living I'm on fire  
Not going down like that  
Living to my last day here  
Live like that like that  
I'm like Kanye West  
I don't care  
Live with no regrets  
Don't know when my last day is  
I'm just saying how I feel So I'm Feeling the groove  
Not thinking about what we do  
Not thinking about work or school  
If you feel the same come through  
We can go back to Marvin Gaye  
Or wear fresh kicks with a suit and tie hey  
You only live once  
And I'm gonna live it  
That's why I'm asking you Why so serious  
Don't ever act like you don't get curious  
Why so serious  
Don't ever act like you don't get curious  
Yeah Why so serious  
Don't ever act like you don't get curious  
Why so serious  
Don't ever act like you don't get curious  
Yeah
