

Shake Me Down

Cage the Elephant

Shake me down
Not a lot of people left around
Who knows now
Softly laying on the ground, ooohNot a lot people left around, oooh. oooh
In my life, I have seen
People walk into the sea
Just to find memoriesPlagued by constant miseryTheir eyes cast down
Fixed upon the ground
Their eyes cast down
I'll keep my eyes fixed on the sun
Shake me down
Cut my hair on a silver cloud
Broken sound
Softly laying on the ground, ooohNot a lot people left around, oooh, oooh
In my past, bittersweet
There's no love between the sheets
Taste the blood, broken dreamsLonely times indeed
With eyes cast down
Fixed upon the ground
Eyes cast downI'll keep my eyes fixed on the sun
Turn back now its time for me to let go
Way down had to find a place to lay low
Lampshade turned around into a light post
Walk around the corner
Never saw it coming still
I try to make a moveIt almost stopped me from belief
I don't wanna know the future
But I'm like rolling thunder
Even on a cloudy day
Even on a cloudy day
Even on a cloudy day
Even on a cloudy day
Even on a cloudy day
Even on a cloudy day
Even on a cloudy day
I'll keep my eyes fixed on the-
I'll keep my eyes fixed on the-
I'll keep my eyes fixed on the sun
Shake me down
Not a lot of people left around, oooh, oooh
