Bigger Picture (Just a Gent Remix)

Matthew Parker

Your bigger picture. Your bigger picture. Yeah, so lost in my own little world So blinded and so nearsighted I couldn't see past my own two hands Oh, but you gave me a vision So I could see eternity Your bigger picture Your bigger plan Hmm, hmm, hmm Your bigger picture Your bigger plan So lost in the moment I couldn't get past the here and now But in the hour glass I am just one grain of sand But there is so much more Then we are leaving for You are the bigger picture And you are the bigger plan Hmm, hmm, hmm Your bigger picture Your bigger plan
