

# Human

## Maggie Lindemann

I've got like 30 missed calls  
Staying in another night  
And I've been talking to the walls  
Feel a bit out of my mind You don't even know, you don't even know  
What is going on, what is going on  
I could try to smile, done it for a while  
But nobody knows it like I wish, I wish I was human  
I wish that I could say shit like you did  
Where it's sunny all the time but it's useless, nah nah  
And if you saw through my eyes you'd understand why  
I wish I was human  
I wish that I could say shit like you did  
Where it's sunny all the time but it's useless, nah nah  
And if you saw through my eyes you'd understand why  
I've been trying to drink away  
All the nights I can't forget  
And the voices screaming in my head  
'Bout the days I most regret You don't even know, you don't even know  
Nobody knows it like I wish, I wish I was human  
I wish that I could say shit like you did  
Where it's sunny all the time but it's useless, nah nah  
And if you saw through my eyes you'd understand why  
I wish I was human  
I wish that I could say shit like you did  
Where it's sunny all the time but it's useless, nah nah  
And if you saw through my eyes you'd understand why  
Oooh  
Oooh  
(Wish I wish I was)  
Oooh  
(Nah nah nah nah)  
Oooh I wish I was human  
I wish that I could say shit like you did  
Where it's sunny all the time but it's useless, nah nah  
And if you saw through my eyes you'd understand why
