

Save Me (feat. Katy B)

Keys N Krates

Oh, can't you save me?
Happy from your every sound
Thinking oh, you got me cravin'
Always with my love come down Oh, come save me
I'm struggling but you stand by
Thinking oh, this is crazy
Ever since I caught your eye I been oh, I been oh, I been oh
I been oh, I been oh, I been going...
Oh, can't you save me?
Happy from your every sound
Thinking oh, you got me cravin'
Always with my love come down
Oh, come save me
I'm struggling but you stand by
Thinking oh, this is crazy
Ever since I caught your eye I been oh, I been oh, I been oh
I been oh, I been oh, I been going...
